## AMENDMENTS TO THE RISKS SECTION

The "**RISKS**" section on pages 29 to 93 of the Base Prospectus is amended as follows:

the paragraph entitled "**If proceeds of EU Sovereignty Bonds are not applied or listed as expected the Securities may be adversely affected**" is added after the paragraph entitled "**If proceeds of Social Bonds are not applied, are not certificated or listed as expected the Securities may be adversely affected**" on page 84 of the Base Prospectus:

*"If proceeds of EU Sovereignty Bonds are not applied or listed as expected the Securities may be adversely affected*

The applicable Final Terms may provide that it will be the relevant Issuer's intention to apply the proceeds of issuance of the relevant Series of Securities to Eligible EU Sovereignty Assets, as defined in and further described in the EU Sovereignty Bond Framework, as amended and supplemented from time to time (the "**EU Sovereignty Bond Framework**"), which is available on the following website: [EU Sovereignty Framework June 2025.pdf](#). The EU Sovereignty Bond Framework is not subject to any specific regulatory standards or industry guidelines at the date hereof and for avoidance of doubt, shall not be considered as a sustainable finance document. The term "EU sovereignty bonds" (each such Securities being "**EU Sovereignty Bonds**") as used in this risk factor means any Securities to be issued in accordance with the EU Sovereignty Bond Framework.

Any:

- (1) failure to apply the proceeds of any issue of EU Sovereignty Bonds to any Eligible EU Sovereignty Assets;
- (2) lack of Eligible EU Sovereignty Assets in which BNPP may invest; and/or
- (3) event or circumstances resulting in the EU Sovereignty Bonds no longer being listed or admitted to trading on any stock exchange or securities market,

may have a material adverse effect on the value of EU Sovereignty Bonds and the value of any other securities which are intended to finance and/or refinance Eligible EU Sovereignty Assets and could also result in adverse consequences for certain investors with portfolio mandates to invest in securities to be used for a particular purpose."

## AMENDMENTS TO THE INVESTMENT CONSIDERATIONS SECTION

The "**INVESTMENT CONSIDERATIONS**" section on pages 94 to 111 of the Base Prospectus is amended as follows:

the paragraph entitled "**Additional information in respect of Securities that are issued as EU Sovereignty Bonds**" is added after the paragraph entitled "**Additional information in respect of Securities that are issued as Social Bonds**" on pages 110 to 111 of the Base Prospectus:

"The use of the net proceeds for any Eligible EU Sovereignty Assets may not satisfy, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable laws or regulations or by its own by-laws, investment policy or other governing rules or investment portfolio mandates, the subject of or related to, any Eligible EU Sovereignty Assets.

Furthermore, there is currently no clear definition (legal, regulatory or otherwise) of, nor market consensus as to what constitutes, a "EU Sovereignty Asset" or an equivalently-labelled project or as to what precise attributes are required for a particular project to be considered "Sovereignty" related or falling under such other equivalent label, and such a clear definition or consensus may not develop over time.

There will be no opinion or certification of any third parties made available in connection with the issue and offering of any EU Sovereignty Bonds and in particular with the extent to which Eligible EU Sovereignty Assets may fulfil any investment policy or other governing rules or investment portfolio mandates or other criteria, may not be suitable or reliable for any purpose whatsoever. Prospective investors must determine for themselves the relevance of the lack of any such opinion or certification for the purpose of any investment in such EU Sovereignty Bonds.

While it is the relevant Issuer's intention to apply an amount equivalent to the net proceeds of any EU Sovereignty Bonds to Eligible EU Sovereignty Assets in, or substantially in, the manner described in the applicable Final Terms and in the EU Sovereignty Bond Framework, the relevant project(s) or use(s) which are the subject of, or related to any Eligible EU Sovereignty Assets, may, for reasons beyond the Issuer's control, not be capable of being implemented in or substantially in such manner and/or in accordance with any timing schedule or within any specified period or at all or with the results or outcome as originally expected or anticipated by the relevant Issuer or such proceed may not be totally or partially disbursed for such Eligible EU Sovereignty Assets. Such Eligible EU Sovereignty Assets may not be completed. Any such event or failure by the relevant Issuer to apply an amount equivalent to the net proceeds as intended will not constitute an event of default (however defined) under the EU Sovereignty Bonds, create an obligation for the relevant Issuer to redeem the EU Sovereignty Bonds, give a right to an early redemption or the acceleration of the EU Sovereignty Bonds and/or give any claim against the relevant Issuer."
